N4 - Monitoring of each outlet current, each outlet switchable

Input requirement

IEC-320 C20 socket

IEC60309 16A (cable)

IEC60309 32A (cable)

3 phase IEC60309 16A (cable)

3 phase IEC60309 32A (cable)

UK 13A

Output requirement (tick all required)

IEC C13 (10A) Quantity

IEC C13 (10A) Fused Quantity

IEC C19 (16A) Quantity

UK 13A Quantity

Schucko Quantity

Environmental sensors (tick if required)

(Up to 8 sensors in total)

Temperature/Humidity Quantity

Smoke Detector Quantity

Water Logging Quantity

Door Open Quantity

Infrared Motion Quantity

E-mail completed form to info@powercare.co.uk or use the submit button (only if using Windows & Adobe) and we will reply with a full specification and quotation.
